ARMY & NAVY

Fort Shafter Notes

(Honolulu Star-Bulletin Correspondence):
FORT SHAFTER, May 17.—The new board which has been appointed to examine the candidates who may apply for commission in the officers' reserve corps, consists of Lieut. Col. William R. Dashell, Inf., president; Maj. Eugene H. Hartnett, Med. Corps; Maj. William B. Cochran, 2d Inf.; Lieut. Alfred L. Rockwood, 2d Inf., and Lieut. John B. Lady, M. R. C. Lieutenant Rockwood will act as recorder for the board. This board is to meet at Fort Shafter and is at the call of the president, Lieut. Col. Dashell.

Nurse Elizabeth S. Blodgett, Army Nurses Corps, who arrived on the transport *Logan* recently, has reported to the commanding officer of the Department hospital and has taken up her duties in the hospital.

The 2d Inf. Library reports that the attendance for the month of April was 512 and the books issued during the month were 230. The cause for the small attendance is due to the fact that the companies have extra duties to perform with the demand for a larger guard.

A board consisting of Lieut. Col. William R. Dashell, Maj. Guy G. Palmer, Capt. Alden C. Knowles, Maj. Robert F. Howell and Capt. Jack Hayes went on a prospecting trip on Wednesday to select a new target range, the old range having been requisitioned for gardening purposes. Their selection has not been made public yet.

The commanding officer of Co. K, 2d Inf., made recommendation that Pvt. who was corporal in that organization should be promoted and Pvt. George H. Wicker should be advanced to the grade of corporal, which was accordingly done.

The class taking instruction at the school for bakers and cooks at Fort Shafter, having completed the course, has been ordered to proceed to the following posts for duty: Pvt. Stanley Wimanski, Pvt. Patrick Ward, Pvt. William D. Wilfong, Pvt. Levi Biggs, Pvt. Lloyd Gibson, to different organizations at Schofield Barracks; Pvt. George F. Dively, Pvt. Frank Matzel to Fort Kamehameha, and Cpl. Wright E. Day, 2d Inf., Fort Shafter.

The bakers and cooks school held monthly examinations in the 2d Inf. Library room for such men of the school who were prepared to take it. The examination was conducted by Lieut. Carl A. Hardig, officer in charge of the school. The results of the examination will be published in a few days.

Owing to the high cost of material, the post laundry at Fort Shafter has had to raise the price from \$1.20 to \$1.50 a month, the limit of 20 pieces a week. The laundry will also mend the clothes, which will be an improvement. These prices go in effect from May 1.

Sgt. William J. Reinbreck of the Quartermaster Corps, Fort Shafter, was discharged with an excellent record last Saturday and re-enlisted at once.

Athletes have had to take a secondary place on account of the excess in military instruction going on in the post. But as the baseball season advances every afternoon some of the men can be seen practicing the popular game on the main parade ground, the baseball park having been put to other uses. On Wednesday two teams of the first Battalion met on the diamond. Co. D and Co. B, with a score of 8 to 9 in favor of Co. D. The batteries were Medina and Tucker for Co. D and Hickey and McCall for Co. B.

A concert will be given on the main parade ground by the 2d Inf. band on Thursday afternoon, May 17, at 4:30 p.m. The concert will be under the direction of Band Leader, Mr. Jacobson. There will also be a concert in the National Guard, where he also was the commandant of his officers. He starred last autumn on the guard football team at center and in the back field. He is a son of Harry R. Hickey, superintendent of the Waianae Lime Company.

KAUAI GUARD GETTING READY FOR MOBILIZATION

(Honolulu Star-Bulletin Correspondence):
LIHUE, Kauai, May 16.—A meeting of all commissioned officers of the 4th Regiment, Hawaiian Infantry, National Guard, was held in the Lihue armory on Sunday afternoon. Practically all the officers were present.

Cpl. Gaylord F. Wilcox presided and spoke on the method of procedure should mobilization be ordered.

Lieut. R. J. Gossen went over the subject in detail, explaining the duties of the respective officers and departments and making clear the military regulations which govern the mobilization and movement of troops.

The officers are working hard on the theory and practice of things military, and will be ready for the orders wherever they come.

NATIONAL GUARD NOTES

Maj. Marie M. Johnson, 1st Haw. Inf., having reported for duty, the unexpired portion of the leave of absence granted him February 28, 1917, is revoked.

By direction of the War Department dated April 14, 1917, announcing the appointment of Dr. Fletcher G. Sanborn as 1st Lieutenant, Medical Section, National Guard Reserve, is revoked.

The following named enlisted men are transferred to the organizations set opposite their respective names: Sgt. Perito Salay, Co. D, 4th Haw. Inf., to Co. M, 1st Haw. Inf., as a private.

Sgt. Mateo Calamo, Co. D, 4th Haw. Inf., to Co. M, 1st Haw. Inf., as a private.

Pvt. Jacinto Atacador, Co. D, 4th Haw. Inf., to Co. M, 1st Haw. Inf.

1st Lieut. Alex. May, Co. F, 1st Haw. Inf., is designated to witness the destruction of certain articles of

quartermaster and ordnance property,

as per recommendations of the surveying officer in the case.

1st Lieut. Wilbur C. Woodward, 1st Sep. Co., Hawaiian Engineers, is granted a leave of absence of one month with permission to travel beyond the limits of the territory.

ARMY ORDERS

Pvt. John J. Campbell, Company X, 1st Infantry, is transferred to the quartermaster corps, Honolulu.

"There was no argument," replied Smith. "Brown walked up to me and told me he would punch me in the eye. And he did."—Cincinnati Enquirer.
